

WILLARD A. SQUIER

We are honored to dedicate this year's Town Report to Willard A. Squier. Mr. Squier was born in Clarendon December 6, 1899. We believe he is the oldest living native resident in town.

Willard attending Clarendon schools, graduated from Rutland High School and the University of Vermont. He served as a member of the Vermont House of Representatives during World War II, is a past Master of the Clarendon Grange, Treasurer and Trustee of the East Clarendon Cemetery Association, a member of numerous horticultural associations, a participant in county and state historical societies, an active member of the American Association of Retired Persons and is an honorary Deacon of the Clarendon Congregational Church.

Mr. Squire also served as Town Auditor from 1932-1979, and Justice of Peace from 1935-1982. He is still an active member of the Board of Zoning Adjustment.

For the past sixty-two years, Willard has been raising and selling his beautiful long-stemmed gladiolas—the true passion of his horticultural life. Willard and his wife, Helen, who died in 1991, gained a county-wide reputation for the quality of their bulbs, and of their company.

We thank you Willard Squier, for your many years of community service, and for making Clarendon your home.

Special thanks to Cecil and Jackie White for contributing to this dedication.

Rutland Region Transportation Council:
Representative: Edward T. Black
Alternate: Dennis B. Payne

Rutland County Solid Waste District:
Representative, Michael Klopchin
Alternate Representative, Sally Deinzer

Auditor: Doris Weeks (Appointed 11/13/95)

AUDITOR'S REPORT

The financial statements printed in this Town report show the financial activity and the financial position of the Town of Clarendon, Town Municipal Library and the Town School District.

In accordance with section 1681, Title 24, V.S.A., we have examined the accounts and records to determine:

- Proper use of funds as designated by Town voters
- Proper approval for the expenditure of Town funds
- Proper and timely payment of all indebtedness

We have also examined the records of the Town Clerk, Listers and Zoning Administrator, including the grand list, property transfers and building permits.

All Town bank records have been examined and verified, including savings and checking accounts and trust funds.

The questions most often asked of the Auditors are how the tax rate is set, and who figures the amount on each tax bill.

Each year the School Board and Select Board set budgets that most accurately determine the monies needed to operate the schools, Town government and the Highway Department. The total of these budgets is divided by one per cent of the total Grant List to determine the tax rate. In turn, each property is assessed for each \$100.00 of value multiplied by the tax rate to determine the amount of taxes that must be paid to the Town to support the approved budgets.

Because these budgets most accurately depict the financial needs of the Town, it is very important that all taxpayers make a concerted effort to pay their taxes on time. When taxes are delinquent, there is not only additional cost to the Town, but the taxpayers as well. We urge all to read the Treasurer's report and, if needed, take advantage of the service being offered.

Arthur W. Knox, Sr.
Yvette M.R. Bourassa
Doris Weeks

BAILEY MEMORIAL LIBRARY

As I sit and write this report, the Bailey Memorial Library marks its fifth year serving the residents of the Town of Clarendon. It has come a long way since its inception.

Dorothy Barnes, a Clarendon resident, continues to staff the library. Dorothy opens the library on an average of 20 hours a week. Her services are made available to us, at no charge, by the Vermont Association for Jobs and Training. However, this probably will be the last year the library can count on this funding.

Our collection of books continues to grow. New purchases are made on a regular basis and most best sellers can be found on our shelves. We still continue to borrow books from the Vermont Department of Libraries to supplement our collection, but the vast majority of books housed within the walls of the library, now belong to the residents of Clarendon.

The library is now an Exempt Organization under Internal Revenue Codes. The Board of Trustees has been working on this for the past three years and we were finally able to accomplish it! The forms were filled out, filed and the Cornelia Bailey Memorial Library approved. Any donations to the library are now tax deductible. This status also makes it possible for the Board of Trustees to apply for grants. Our goal for the coming year, is to do some grant writing in hopes of improving the library and its services.

This year the Board of Trustees instituted a series of Book Discussion Socials. An author was chosen, the public invited and the books by that author were discussed. Refreshments were served and a good time seemed to be had by all attending. We hope to continue this practice and will advertise future socials in local publications.

Once again the Board of Trustees would like to thank the residents of Clarendon for their support. Your continued support is needed to keep the library a viable part of our community. Stop in and see what you have helped to accomplish!

Year-End Statistics

New Adult Cards — 55
New Juvenile Cards — 17
Total Cards Issued to Date — 644

The library was open a total of 173 days

1995 SELECTMEN'S REPORT

The board of selectmen meet at the Town Hall on the 2nd and 4th Monday of each month. All meetings are open to the public and town hall is handicapped accessible. All citizens are welcome to attend and participate in your town government. Your input is important in helping us to make decisions that support the needs of the community. If you have concerns, but are unable to attend the meetings, please send your concerns to the "Board of Selectmen," P.O. Box 30, North Clarendon, VT 05759. All correspondence will be reviewed and acted upon as necessary.

We would also request that you exercise your right to vote. Your vote is vital in assuring that balloting on issues and expenditures reflects the views of the majority of our community. Absentee ballots are available from the Town Clerks office for registered voters who are unable to come to the polls. New voters may register with the town clerk.

We would like to take this opportunity to again thank all employees as well as those elected officials for performing their duties in a professional, prudent, and efficient manner thus enabling the Town to make consistent progress.

The year 1995 has again been a year of consistent progress within our town. The selectboard has made further decisions over the form and quality of the two bridges that are to be rebuilt beginning in 1997. We have selected bridges that will conform with the natural environment within the areas they are located as well as choosing bridges that will be wide enough for safety and strong enough to carry weights that our roads will demand in the future.

The Tuttle Company moved into the Airport Industrial Park and has already expanded its facility. Businesses within the park appear to be performing well within the current economy and we look forward to participating with the Rutland Economic Development Authority to bring the Park to full capacity. The relationship between Rutland City, Clarendon and REDC (Rutland Economic Development Corporation) has functioned smoothly, particularly regarding the collection and apportionment of tax revenues.

This year East Road was paved, as well as sections of Town Highway #19 and the Creek Road. The board evaluated and decided to purchase a new caterpillar excavator, after leasing for the summer. We have found that members of our Town Crew have shown an exceptional ability with the excavator and have been able to save considerable monies previously spent on rented equipment and operators.

The Town of Clarendon is also pleased to report that it has become a co-applicant with the City of Rutland for an economic development grant that will assist in bringing new businesses into our communities. We look forward to further developments in this regard.

We were pleased to note that the Air Show and competition held at the Airport in June was a success. We look forward to assisting this valued part of our community bringing other events of this nature to the greater Rutland region. The board presently is interested in hearing from anyone who would be interested in maintaining Clarendon cemeteries in the upcoming year. Several cemetery gates were repaired in 1995.

The Transfer station was run in an outstanding fashion and we wish to thank the personnel connected for a job well done. A new compactor given to the Town by the Rutland County Solid Waste District will reduce the number of recycling pulls made during the year.

Our newly appointed Animal Control Officer, Heidi Eccleston, has been doing an exemplary job. We wish to thank George Collett for his many years of performing this job and wish him luck in his future endeavors. We are pleased to report that a census of animals was completed in 1995.

We again wish to thank the Planning Commission for their work on the town plan. A new plan was accepted and is presently slated for implementation in 1995. Draft Zoning regulations have been proposed and required hearings will occur in 1996 leading up to a vote by Clarendon residents.

In closing we wish to thank the citizens of Clarendon for their support during the past year.

We hope to see more citizen participation in the upcoming year to help ensure that Clarendon remains an excellent place in which to live and to work.

Respectfully Submitted,

Ralph Austin, Chairman
Frank Cecot, Selectman
Sally Deinzer, Selectman
Michael Klopchin, Selectman
David Potter, Selectman

TOWN CLERK'S REPORT

With a decrease in Land Record recordings, we completed Volumes 83 and 84 and started Volume 85. Volumes 82 and 83 were sent to Montpelier for microfilming.

As required by State Statute, the checklist was purged removing the names of those who no longer reside in Clarendon. As a result of the purging we now have 1,525 registered voters which is down by 81 names from those registered as of '95 Town Meeting.

Due to a shift in the work load, my assistant Linda Trombley who is also the selectmen's administrative assistant, will be working for the selectmen on a more full time basis. She will continue to work in the office in her expanded duties as administrative assistant and will fill in as assistant town clerk when necessary.

1994 VITAL STATISTICS

MARRIAGES	15
BIRTHS	20
DEATHS	17

DOG LICENSE REPORT

1995 Licenses Issued:	Males	91
	Females	48
	Neutered Males	180
	Spayed Females	259
	Kennel Permits	3
	Special Licenses	4

NOTICE: All dogs, 6 months of age and older, shall annually on or before April 1st, be licensed. A current rabies certificate must be provided before a license may be issued. 20 V.S.A. 3581.

The Town Clerk's office will be open the last Saturday before April 1st for dog licensing, which will be March 30th, hours will be 10:00 a.m. until 1:00 p.m. Fees are \$13.00 for Males and Females and \$9.00 for Neutered Males and Spayed Females.

TREASURER'S REPORT By Rebecca Mandolare (Treasurer)

This year the Treasurer's Office accepted many partial tax payments throughout the year. This is a valuable practice for the taxpayer as well as the Town. The taxpayer can make partial payments anytime throughout the year, thereby assisting the taxpayer to make small more frequent payments during the year.

The Town benefits from receiving tax payments prior to the October due date, thus reducing some of the need for borrowing funds in anticipation of taxes and reducing the amount of taxes that become delinquent.

Any taxpayer interested in making partial payments on their taxes, need only to mail their payment to Town of Clarendon, P.O. Box 30, N. Clarendon, VT 05759. Include with your payment the name of the property owner that the payment should be credited to.

When tax bills are sent out, the bill will reflect the payments that have been made and the outstanding balance due.

Sincerely,

Rebecca Mandolare
Treasurer

LISTERS REPORT

It has been a busy year as we are in the process of photographing all properties to be included on each card. Ed. Black joined us when James Ingalls resigned. We support the town's property mapping proposal to benefit town officials and the public for more accurate listing, the zoning, planning and road commissioners, 911, Federal and State aid, etc.

We thank you for your support and remind you to please contact us with any questions regarding your property value.

Nancy Mutell
Mary Bentley
Ed. Black

CLARENDON VOLUNTEER FIRE DEPARTMENT
PO Box 168, North Clarendon, Vermont 05759

1995 has been another active year for the Clarendon Volunteer Fire Department with the delivery of a 1995 3D/Freightliner, 1500 gallon tanker and a 500 gallon perminute pump. We have also come on line with Rutland County Common Frequency Dispatch done by the Vermont State Police. Fire calls have averaged about the same as the last two years (approximately 53 per year). Most of the calls involved auto accidents and grass/brush fires.

Fire safety is always an important issue. Carbon monoxide poisoning has been identified in a large percent of deaths in the home each year due to faulty heating appliances. Carbon monoxide, a by-product of incomplete burning fuel is an odorless, colorless, deadly gas. Carbon monoxide can be detected by a simple detector which is available at your local hardware/building supply store. Please give this issue some careful thought.

The Clarendon Volunteer Fire Department is currently staffed with twenty one men, two pumpers, and two tankers. One station is located in North Clarendon while the other station is in Chippenhook. Regular meetings and trainings take place every Tuesday night at the North Clarendon station at 7:00 p.m. We welcome anyone interested in volunteer firefighting. I would like to thank the townspeople for their continued support as well as the firemen and the Ladies Auxiliary.

Respectfully submitted,
John P. Hale, Chief

REGIONAL AMBULANCE SERVICE, INC.
ANNUAL REPORT
(Fiscal Year Ending June 30, 1995)
12 Years of Service 1983-1995

To the Honorable Citizens of the Town of Clarendon, VT:

We are pleased to present our annual report to the Citizens of the Town of Clarendon. Regional Ambulance Service, Inc. has continually provided emergency and non-emergency ambulance service for twelve years. From 1983 to the end of this year Regional has responded to 43,281 ambulance calls. This past year, ending June 30, 1995, the service responded to a total of 5,292 ambulance calls and an additional 1,534 paramedic Intercept calls in our 12 communities.

With the continued support of the citizens, our employees, and community governing bodies, we have level funded and even lowered our assessment rate over the past 11 years. Our current assessment rate is \$6 per capita. We extend our appreciation to everyone for their continued support. The Board of Directors established the General Development and Endowment Fund to receive gifts and administer the fund for the purpose of providing resources to support RAS's general operations. The goal of this fund is to offset operating cost increases, as projected in the five year budget forecast, and to level budget or minimize any future municipal assessments.

A new "Medic One" was built and put into service. This vehicle was converted into an emergency vehicle by our employees and local contractors saving over \$20,000 in the process.

Training is always very important to keep our employees up to date in their skills. Training has been provided in Pre-Hospital Cardiac Life Support, Pediatric Advanced Life Support, Advanced Operations, and a variety of mandatory training to maintain our personnel's certifications.

Monthly C.P.R. classes are taught at Regional Ambulance. Last year the R.A.S. training Center trained 596 people. Tours, lectures, demonstrations, and C.P.R. classes are available for the general public. For further information call 773-1746.

Our professional staff is extremely capable and dedicated. The public is encouraged to visit and talk to the employees and Administrator at our Stratton Road facility. Please feel free to contact James Finger, Administrator, or your representative if you have any questions concerning the service.

On April 18th, 1995 tragedy struck our service when a dedicated employee collapsed of a heart attack while treating a serious motor vehicle accident victim and passed away as a result. This report is dedicated to the loving memory of Floyd "Bud" Langon for his commitment and service to the communities we serve.

We are proud of our accomplishments and look forward to serving you in the future. The Board of Directors and Administration of Regional Ambulance Service, Inc. will continue striving to provide the highest quality of emergency ambulance care at the lowest possible cost to all of the citizens we serve.

Sincerely:

Paul Kulig, President
Board of Directors

Doris Weeks
R.A.S. Representative
Town of Clarendon

RUTLAND AREA VISITING NURSE ASSOCIATION, INC.

On behalf of the Board of Directors and Staff of the Rutland Area Visiting Nurse Association, I would like to thank the Town of Clarendon and its citizens for their continued support of RAVNA and its non-profit mission, especially now as we reflect on 50 years of delivering comprehensive home health care in central Vermont.

This past year has been one of tremendous growth and new challenges. In Clarendon, our nurses, aides, social workers, therapists, homemakers and other staff made a total of 2,799 visits during 1994-95. This number represents service to 203 Clarendon residents.

We are proud to report that despite our growth, our cost-effectiveness helped keep Vermont's home care expenses the lowest in the nation and kept RAVNA's charges among the lowest in the state. We are also very proud to report that we received no deficiencies on our annual Medicare Survey for the fourth consecutive year.

In addition to providing the highest quality home care, we furthered our commitment to community projects by expanding our childbirth education classes, health promotion programs and continuing our cholesterol, glucose, blood pressure, foot care and flu immunization clinics.

We are deeply appreciative of all the community support our agency has received. To our dedicated volunteers, we offer our humblest thanks and sincerest gratitude.

We are very grateful for the town allocations, United Way funding, foundation grants and individual and corporate donations which have enabled us to continue offering medically necessary services and community programs to all Rutland Town residents, regardless of individual ability to pay or geographic location. That is a tradition of which we are very proud and are committed to preserving.

Clarendon residents are encouraged to call **1-800-244-0568** if they or someone they know could benefit from our programs and services.

Ronald J. Cioffi
Executive Director

RUTLAND AREA HOSPICE, INC.
PO Box 924, Rutland, VT 05702
(802) 775-3009

Letter to the Town of Clarendon for Inclusion in Town Report:

Rutland Area Hospice is an all volunteer, non-profit program that is free to anyone that is terminally ill, with 6 months or less to live. R.A.H. provides volunteers that give respite, emotional spiritual and physical support to both patient and family. R.A.H. provides bereavement follow-up with family members for one year following the death of the patient.

Volunteers also provide, as a free service, education on death and dying to schools, colleges and any groups that are interested.

We are currently putting in place bereavements groups for families, children and schools that we will have available to you in 1996.

Respectfully submitted,

Jane I. Taylor
Director of Programs

SOUTHWESTERN VERMONT COUNCIL ON AGING **Report to the Citizens of Clarendon**

The Council on Aging projects that it will spend \$27,957 to provide services needed by elder resident in your community during our current fiscal year.

We provided the following services to elders in Clarendon during the fiscal year ending September 30, 1995:

Senior Meals

Luncheon Site:	Grange Hall
Schedule:	Thursday
	Home delivered - Monday, Wednesday & Thursday

875 congregate meals were served to **39** elders residing in your community

643 meals were delivered to the home of the **10** older residents who were homebound and unable to come to the mealsite. This service is also called "Meals on Wheels."

Senior Advocate Assistance

20 older persons received help through this important program. Advocate staff worked to help elders resolve problems related to receipt of benefit programs or other assistance. Guidance was also provided to persons having questions or problems related to health insurance claims or medical service payments. Advocates also helped elders fill out various application forms and to file for Vermont tax rebate claims as well as fuel program assistance.

VERMONT INSTITUTE FOR SELF-RELIANCE
Adult Basic Education
128 Merchants Row, Rutland, VT 05701
802-775-0617

Rutland County Adult Basic Education wishes to thank the Town of Clarendon for its generous support during 1995. Adult Basic Education (ABE) of The Vermont Institute for Self-Reliance (VISR) works with adults who want to finish secondary school or learn literacy skills to improve their lives. ABE provides—in an encouraging and collaborative environment—tutoring in reading, writing, math, English as a Second Language, and GED. We also offer programs in life skills. By building self-confidence through successful learning experiences, ABE enables each adult learner to take fuller responsibility for his or her own learning, life, and community.

One-to-one and small-group tutoring are available for adults (age 16 and over) who do not have a high school diploma or cannot read and write. The program is free; there are no income eligibility requirements. Adults work with a tutor to plan their studies. ABE can help adults prepare for the GED exam, Vermont Adult Diploma Program, the driver's permit test, U.S. citizenship, and the Commercial Driver's License.

Since July 1994, ABE has served at least 19 adult residents of Clarendon. Several of these students are studying for the GED exam, another is studying reading and writing to help with current job requirements, and another, who is studying for the Adult Diploma, is President of ABE's Student Advisory Board and was a delegate to the Literacy Congress in Montpelier.

We appreciate your support!

Bridget Martin, Program Manager

RETIRED AND SENIOR VOLUNTEER PROGRAM
71B Williams Street, Rutland, Vermont 05701
(802) 775-8220

Dear North Clarendon Residents:

The Retired and Senior Volunteer Program (RSVP) is a national program for people 55 and older who want to help meet community needs through meaningful use of their skills and knowledge in volunteer service to non-profit organizations. Locally, RSVP is the largest program of coordinated volunteer service serving Rutland County with over 450 volunteers.

Currently in North Clarendon, 6 volunteers donate their services to Pleasant Manor Nursing Home, RSVP, One-2-One Program, Eden Park Nursing Home, Rutland Headstart, National Council of Senior Citizens, Rutland County Court Diversions, Southwest Vermont Council on Aging, and Rutland Senior Chorus.

Several intergenerational projects were introduced this year and are available to interested persons, schools and groups:

(SAVE) Senior Artists Volunteer in Education—a joint venture with RSVP and Chaffee Art Gallery provides artists to help increase and supplement arts education and appreciation in schools. **Senior Sense and Seniors & Youth**—a drug and alcohol abuse awareness program presented through informal skits to seniors and schools. **"BITKITS"**—a partnership with area businesses that acquaints students (grades 5-12) with area businesses so as to familiarize them with skills and education needed for future employment. **"Connections for Independent Living"**—designed and coordinated by AARP in cooperation with RSVP, Hospice, Rutland VNA and "ISee" program of SW VT. Council on aging provides volunteer assistance to homebound elders throughout Rutland County.

Thank you for your continued support of RSVP. We invite you to contact us at 775-8220 if you would like to know more about our services.

Sincerely,

Anne P. Rowe, Director

VERMONT LEAGUE OF CITIES AND TOWNS
Annual Report Article

The Vermont League of Cities and Towns (VLCT) was organized in 1967 by cities and towns for cities and towns in Vermont. VLCT is governed by a 13 member board of directors comprised of selectpersons, mayors, managers and clerks and is dedicated to serving the best interests and needs of Vermont municipalities. VLCT is supported entirely by revenues from local governments. 245 of 246 cities and towns in Vermont are members of the association.

Local officials are responsible for a vast number of laws and regulations to assure their residents' health and welfare, ranging from protection against rabies threats to keeping the roads clear, to providing for solid waste management and fire protection. The Vermont League of Cities and Towns puts considerable effort into providing education for local officials. We offer workshops throughout the year to health officers, planning commissions, zoning administrators, selectpersons, auditors, tax collectors and others. In addition VLCT provides manuals on specific subjects to guide local officials in the discharge of their responsibilities. A new book produced this year, the Handbook for Delinquent Tax Collectors, guides collectors of delinquent taxes through the maze of Vermont's taxation laws. VLCT staff is only a phone call away for local officials with specific questions about any local government matter. More than 5000 questions were answered in the past year from virtually every member municipality. Municipal attorneys are also available to give advice and legal opinions through the VLCT Law Center. VLCT is committed to helping municipal leaders develop expertise in their city and town jobs and appropriately handle the very complex problems that face them daily.

VLCT offers insurance "trust" programs to municipalities that save taxpayers thousands of dollars every year because member municipalities pool their resources before purchasing insurance. In 1995 the VLCT Health Trust returned more than \$1,735,046 to its 251 member municipalities and the Property, Casualty and Insurance Fund (PACIF) returned \$600,000 to its 178 member municipalities. Since 1983 total distributions from the Health, PACIF and Unemployment Trusts have equalled \$6,624,000!

The *VLCT News* and *VLCT Weekly Legislative Report* provide municipal officials with up-to-date information on legislative issues and articles of special interest on topics such as workplace safety, funds available through the federal crime bill, and municipal planning. As of 1993 members may access that information through a computer bulletin board service (joining the "information highway") as well. Each member city or town has a vote at the annual meeting.

VLCT represents the interests of local government in the legislature, using as a basis for positions that are taken on different subjects the *VLCT Municipal Policy*, a policy platform that is adopted by the membership at its annual meeting in October and covers a wide range of topics affecting local government including elections law, financial management, property taxes, transportation, and environmental issues.

Dues paid by member municipalities are vital to the continued existence of VLCT. Municipal officials around the state thank you for your support.

VERMONT ENHANCED 9-1-1 BOARD
Status Report—1995

1995 was a pivotal year in the development of statewide enhanced 9-1-1 calling system. With overwhelming support from the legislature and communities throughout the state, the foundation for implementation of enhanced 9-1-1 was set.

Enhanced 9-1-1 is based on two important precepts: (1) *We will answer your emergency call*, and (2) *We will find you*. In order to allow this to happen, a calling network must be developed to allow quick, easy, and reliable access to emergency services, no matter where in the state you are (*we will answer your call*). Secondly, locatable street addressing must be established (*we will find you*).

Early in the year, the legislature approved a rule proposed by the Board for addressing. Following this, an addressing handbook was developed and distributed to communities through the state. Far from being a rigid set of rules to be applied statewide, the addressing rule provides a guide for communities to develop locatable street addresses to best allow delivery of emergency services under 9-1-1. In addition, the guidebook provides valuable information on related issues. By year's end, the Board was making final arrangements with a contractor to provide GIS assistance to communities for addressing.

Next, the board tackled the technical and operational aspects of the Enhanced 9-1-1 system—the proverbial nuts, bolts, and widgets that make the system run. Standards were developed and approved by the legislature as a rule, which guide the development and operation of the network, operation of the answering points, system reliability, and confidentiality, and the disbursement of equipment. With this done, specifications were developed and the system put out to bid.

The Board is on target for implementation of statewide enhanced 9-1-1 by July of 1997. In 1996, as we proceed toward our goal, engineers and technicians will be building the system. In the meantime, we encourage communities to press on with road naming, addressing, and completing municipal plans. This work is critical to the successful implementation of a reliable Enhanced 9-1-1 system. Take advantage of the resources and help available to do this: the E9-1-1 staff is available and ready to assist you. The Enhanced 9-1-1 Board can be reached at 1-800-342-4911 mailing address 58 East State Street, Drawer 20, Montpelier, VT 05620-6501.

E9-1-1 terms that you may hear about or read in the next year:

PSAP—Public Safety Answering Point—The place where 9-1-1 calls are answered.

ALI/ANI—Automatic Location Information/Automatic Number Information—the telephone subscriber information which locates the source of a 9-1-1 call.

RUTLAND REGIONAL PLANNING COMMISSION
Annual Report—1995

The Commission's Mission is to: (A) provide leadership and technical expertise to encourage cooperative planning with and among the region's communities and areawide interests; and, (B) strive to improve the quality of life for people in the region by promoting harmony between sustainable economic development, environmental interests and other planning issues.

In pursuit of that Mission, the Commission continued to work closely with regional communities to create a cooperative and positive planning process and:

- Completed the update of the *Rutland Regional Plan* for use by communities in developing local plans and in guiding regional development.
- Worked with Poultney, Pittsford, Clarendon, Wallingford, Shrewsbury and Pawlet on revising or preparing their local plans or zoning regulations.
- Continued the comprehensive regional transportation planning program through the Rutland Regional Transportation Council. The Council represents the region's 27 communities and has developed a prioritized list of transportation problem areas and identified projects, for funding by the Agency of Transportation, that would help to solve the problem areas. The Council also began to develop comment on the Agency of Transportation's project "pruning" proposal.
- Continued our very successful cooperative purchasing program for fuels that has saved Brandon, Castleton, Clarendon, Hubbardton, Ira, Middletown Springs, Orwell, Pawlet, Pittsford, Poultney, Sherburne, Shrewsbury, Tinmouth, Wallingford, Wells, West Rutland and other nonprofits and school districts substantial amounts on their fuel oil, diesel and gasoline purchases;
- Continued using our geographic information system to give communities graphical information that helps in local decision making.
- Assisted communities with mapping, road naming and road numbering for the future E-911 system.
- Implemented a common phone system with the Rutland Economic Development Corporation and the Rutland Region Chamber of Commerce to continue coordination of our activities and programs.
- Helped to organize the Rutland Region Education Alliance a non-profit corporation dedicated to improving education in the Rutland Region and insuring that students have the tools to move from school to work.

Please join us as we continue these and other efforts to generate regional cooperation and make planning in Rutland County a truly grassroots process.

For the eighth consecutive year, **dues will remain at \$500**. We ask that you include this small amount in the selectmen's budget as part of the "local planning" line item.

RUTLAND ECONOMIC DEVELOPMENT CORPORATION

To the Citizens of Clarendon:

Everybody talks about better paying jobs ... only the Rutland Economic Development Corporation (REDC) diligently works full time to make it happen. But we can't do it alone. Your town's membership and encouragement is vital. Once a year we ask you to support our effort to strengthen the economic vitality of Rutland County. Won't you seriously consider REDC membership this year?

In the past year we were active on many fronts to improve the economy of the region. Some of our accomplishments included:

- Facilitated the expansion of the Charles E. Tuttle Company to the Airport Industrial Park in North Clarendon, where they constructed their new 36,930 sq. ft. distribution facility.
- Funded \$420,000 in new loans to local firms, which resulted in the retention or creation of 70 jobs.
- Through the Small Business Development Center (SBDC) we served 96 companies from 26 different towns in the county, which resulted in more than two million dollars in financing being placed.

REDC is an organization that seeks members, not donors. In our more than fifty years of operation, we have actively improved the employment opportunities for Rutland Town residents by recruiting companies like Metromail, Moore Business Forms, and General Electric to the region. Our broader mission today, that includes small business lending through our revolving loan funds, is intended to create opportunity throughout Rutland County. Ultimately, we are most interested in creating the value-added jobs that enhance our resident's standard of living, and provide for a healthier regional economy.

We look forward to working hard for you in 1996, and welcome any input your town might have. Your support is greatly appreciated.

Sincerely,

David J. O'Brien
Executive Director

RUTLAND REGION TRANSPORTATION COUNCIL

The **Rutland Region Transportation Council** is dedicated to promoting cooperation and coordination on transportation issues among municipalities, organizations, and interests in the Rutland Region. Formed in December of 1992, the **Transportation Council** provides a forum for the development of regional transportation policies and priorities, and coordinates the implementation of those policies and priorities with the Vermont Agency of Transportation. Financial support for the organization is provided by state and federal funds obtained by the Rutland Regional Planning Commission.

All municipalities in the Rutland Region are considered members of the **Transportation Council**. However, municipalities are not obligated to participate in the **Council**; furthermore, those that do participate may cease their involvement at any time.

The Past Year

Most recently, the **Rutland Region Transportation Council** has been deeply involved in the development of comments concerning a proposal by the Vermont Agency of Transportation (VAOT) to "prune" a number of highway projects and prepare a revised five year capital program. With broad support from communities, the Transportation Council prepared comments and a counter proposal for VAOT to consider.

Also during 1995, the Transportation Council and its staff have accomplished the following:

- Developed a regional travel demand forecast to aid in the identification of future transportation needs;
- Assisted communities in the advancement of applications for state and/or federal transportation grant funds;
- Participated in statewide "Congresses" to discuss transportation issues with the Vermont Secretary of Transportation;
- Sponsored a public presentation/question and answer session on regional transportation issues;
- Adopted the "Rutland Region Transportation Plan," a regional transportation policy document; and
- Coordinated with consultants preparing the US4/US7 Environmental Impact Study.

Now and In the Future

In 1996, the **Rutland Region Transportation Council** will be continuing many of the efforts it worked on last year. It will also be undertaking several new initiatives, such as developing a system to track the progress of transportation projects as they make their way through the Agency of Transportation. The Transportation Council will also focus greater attention on non-highway transportation topics, including rail, air, and transit. And, it will be assisting in the completion of special studies looking at the transportation needs of village areas along the Route 7 corridor (in Brandon, Pittsford, and Wallingford) and identifying solutions to highway "chokepoints."

Meetings of the **Rutland Regional Transportation Council** are held once each month, normally on the fourth Thursday, in Rutland. All those with an interest in transportation and related issues are invited to attend.

Questions about the **Transportation Council** may be directed to the following individuals:
Ed Black, Clarendon's Representative on the Council (775-1536)
Dean Pierce, Senior Regional Planner (775-0871)
Charles Wise, Chairman (773-4202)

RUTLAND COUNTY SOLID WASTE DISTRICT

The District is a special purpose municipality with ordinance enforcement, bonding and taxation powers. Vermont laws require the District to manage all solid waste within the 15 towns and city that make up the district. The District has a number of programs that it operates directly to manage these wastes and contracts with private companies for other services. The District also has a regulatory role which includes the licensing of all facilities and haulers within the district, and enforcement of state and District laws.

1995 Accomplishments

Completion and Joint Operation of Material Recovery Facility—August 21, 1995

Implementation of Construction Waste Recycling Program—April, 1995

1996 Goals

Increase the utilization of the new recycling facility and construction waste programs

Stabilize long term landfill disposal rates

Disposal Services

Trash—Contracts for commercial, residential & municipal

Special Wastes—tires, batteries, CESQG & household hazardous waste, asbestos, metal & appliances, freon, wastewater sludge and oil

Processing Services

Construction waste grinding

Compost grinding & turning

Recycling Services

Design and installation of transfer station systems

Hauling & collection (municipal only)

Processing, brokering and marketing (joint venture)

Transfer Stations

Support for municipal transfer stations

Operation of Gleason Road, Rutland City

Operation of Regional Hazardous Waste Depot

III. SUPERINTENDENT'S REPORT

A. Enrollment:

Student enrollment at the Clarendon Elementary School of December of 1995 was 331 students. This figure is a decrease of 32 students over 1994. We expect another small decrease next year as we will be graduating more students at the 6th grade than we anticipate entering in kindergarten. At Mill River Union High School the number of Clarendon students enrolled has remained approximately the same as the previous two years. Next year this number will increase because of the number of 6th graders moving up is larger than the number of seniors graduating. Please note the complete enrollment tables printed above.

B. Personnel:

A listing of all teachers and other staff members, along with their individual assignments, is printed on the first pages of this report. All staff members are to be commended for the special efforts they make on behalf of our school and students. Special words of appreciation go to Dr. David Bickford, our school principal, for the strong leadership and guidance he is providing in managing the operation of our school. Also, we welcome Dr. Gordon Schnare, our Director of Curriculum & Staff Development, who began working for us in August 1995.

C. Curriculum:

As part of our long-range planning process we will be examining all instructional programs with respect to school goals and to *Vermont's Common Core*. This is a framework for curriculum and assessment which "is intended to guide, inform, and simplify the local process of building standards-based curriculum and assessment." Included in the **Common Core** are standards designed to provide teachers, students and communities with explicit targets to aim for, including essential knowledge and skills that should be taught and learned in school. This **essential knowledge** is what students should **KNOW**, and includes the most important and enduring ideas, issues, dilemmas, principles, and concepts from the disciplines. The **skills** are what students should be able to **DO**. Skills are ways of thinking, working, communicating, and investigating. The **Common Core** separates standards into two broad categories: **Vital Results Standards** and **Field of Knowledge Standards**. Vital results standards are the responsibility of teachers in all fields or disciplines and include: Communications; Reasoning and Problem Solving; Personal Development; and Civil/Social Responsibility. Knowledge standards are specific to each field of knowledge, and must be applied to attain the vital results. The three main fields of knowledge include: Arts, Language, & Literature; History & Social Sciences; and Science, Mathematics, & Technology.

The Board has invited community members to become involved in long range planning for our school. If you would like to participate, please contact your school principal or a board member.

D. Student Performance Assessment:

The following information illustrates the performance of Clarendon Elementary School Students during the 1994-95 school year relative to several state and national standards:

Vermont Writing Assessment (Grade 5) (RSSU)	Significantly Above State Average
Vermont Mathematics Assessment (Grade 4) (RSSU)	At State Average
Mathematics Multiple-Choice Test (Grade 4)	Below State Average
Stanford Achievement Reading (Grade 6)	Above National Average
Stanford Achievement Mathematics (Grade 6)	At National Average
Stanford Achievement Reading (Grade 5)	Above National Average
Stanford Achievement Mathematics (Grade 5)	Below National Average
Stanford Achievement Reading (Grade 4)	Below National Average

Stanford Achievement Mathematics (Grade 4)	Below National Average
Stanford Achievement Reading (Grade 3)	Above National Average
Stanford Achievement Mathematics (Grade 3)	Below National Average
Stanford Achievement Reading (Grade 2)	At National Average
Stanford Achievement Mathematics (Grade 2)	Below National Average

E. Facilities:

Operation and maintenance expenses for the Clarendon Elementary School require approximately 8% of the school's operating budget. In addition to regular operational costs we have expended funds for painting and general maintenance on a regular basis to keep the building attractive, both inside and out. This past winter problems with ice and snow made it necessary to do repairs to the roof. Last year voters approved funding an energy project to eliminate all electric heating, in favor of expanding our hot-water heating system to serve the entire building. The projection is that this would result in significant savings in energy costs. A similar project has already been completed at the Wallingford Elementary School. We expect this project to be completed this summer.

F. Budget and School Taxes:

The proposed budget for the 1996-97 school year is printed in the right hand column of the financial statements in this report and has total expenditures of **\$1,914,478** for the operation of the Clarendon Elementary School. This represents an increase in expenditures of 2% over the estimate for the current year. To fund this budget it will be necessary to raise **\$691,107** in taxes. The Clarendon School Board has worked hard on the budget to keep costs down, and request your support on Town Meeting Day. Unfortunately state funding for education is a real question mark and without continued support from the state the burden falls on the local property owners. Clarendon's share of the Mill River assessment is **\$1,447,765**. This is a 4% increase over the current year and includes payments on the new addition which is scheduled for completion this fall.

G. Teacher Salary Schedule:

The Clarendon Elementary School teacher salary schedule for the 1995-96 school year has a base salary of \$21,465, step increments of \$735, and a high salary of \$39,105 for a teacher with advanced degrees and at least twenty years of teaching experience. Over the past four years teachers have taken salary freezes for two of the four years. The School Board is presently negotiating a new agreement for the 1996-97 school year.

H. Special Education:

Special education programs are supported jointly by state and local funds as illustrated by the table below. These programs support the goal of providing full educational opportunities for all handicapped youngsters and include: speech and language; EEE (early essential education); resource room; learning lab; consulting services; and special placements. We commend Shirley Bingham, our Director of Special Services, for the work she does to coordinate these programs and to meet the needs of all students. Any person with knowledge of youngsters in need of services (including preschool) is encouraged to contact the office of the superintendent of schools (775-3264). A summary of special education costs is listed below.

	Actual 94-95	Estimate 95-96	Budget 96-97
Special Ed. Expenditures	\$325,805	\$359,671	\$371,373
State Revenue	\$213,548	\$206,994	\$207,057
Net Local Costs	<u>\$112,257</u>	<u>\$152,677</u>	<u>\$164,316</u>

I. Federal Programs:

Rutland South Supervisory Union receives a limited amount of federal funds which support educational programs in all of our schools. These include: Title I (formerly Chapter I) which supports remedial reading instruction; Title VI (formerly Chapter 2) which provides funds for mini grants for classroom teachers, the purchase of instructional materials, and curriculum development activities; and Title II which supports improvements in mathematics and science instruction. Parents or others wishing to have additional information or to comment on these programs are encouraged to contact the office of the superintendent of schools.

K. Nondiscrimination Policy:

The Clarendon Town School District offers employment and educational opportunities without regard to sex, race, color, national origin or handicap. Inquiries regarding this nondiscrimination policy may be directed to: Henry J. Burnham, Superintendent. Telephone 775-3264.

ALDACE W. NEWTON TRUST FUND

A ballot article of \$15,000 for a computer system for the Elementary School was defeated in March of 1993. In March of 1995 a \$20,000 article for a computer system was defeated for a second time.

The Trustees of the Fund, Jean Murray-Barbara Pratt and Ruth West, met and discussed the idea of using the Aldace W. Newton Fund to provide the money for this project. After a meeting with Principal Doctor Bickford of the Elementary School he presented our proposal to the School Board. After deliberations they accepted the offer and in December a payment of \$10,000 was made to start the installation of the new system. It is anticipated that this will be completed early in 1996 and the remaining funds will be turned over at that time.

We feel that this has been a savings to the taxpayers and a long lasting worthwhile project for the children and teachers at the school. This also carries out the wishes of the benefactor of the Fund.

ANNUAL TOWN MEETING MINUTES 1995

Mon., March 6, 1995
Clarendon Elementary School
7:30 p.m.

The 1995 Annual Town Meeting was called to order by Moderator, Brownson Spencer at 8:13 p.m.

- Article 1. Shall the Town act on all Town Officers reports?
No discussion or questions.
So moved by Sylvia Venne, seconded by Ann St. Peter and carried by voice vote.
- Article 2. Shall the Town pay taxes to the Treasurer?
No discussion or questions.
So moved by David Trombley, seconded by Sue Potter and carried by voice vote.
- Article 3. Shall the Town authorize the Selectmen to borrow money in anticipation of taxes?
No discussion or questions.
So moved by Elizabeth Wehse, seconded by James Doherty and carried by voice vote.
- Article 4. To elect: Moderator (1 year term)
Selectman (3 year term)
Selectman (2 year term)
Lister (3 year term)
Auditor (3 year term)
Road Commissioner (1 year term)
Town Grand Juror (1 year term)
Town Agent (1 year term)
Delinquent Tax Collector (1 year term)
1st Constable (2 year term)
Treasurer (1 year term)
(All by Australian Ballot)
- Article 5. Will the Town raise by taxation the sum of \$496,943.00 to provide funds for the General Government and Highway Expenditures? (Australian Ballot)
- Article 6. Shall the Town set annual compensation for the Selectmen at \$1,000.00 each for the calendar year January 1, 1995 thru December 31, 1995? (Australian Ballot)
- Article 7. Will the Town raise by taxation the sum of \$27,000.00 for the support of the Clarendon Volunteer Fire Association, Inc. for year 1995? (Australian Ballot)
John Hale, Fire Chief, spoke on behalf of the fire department thanking the townspeople for their continued support.
- Article 8. Will the Town raise by taxation the sum of \$17,010.00 for the support of the Regional Ambulance Service, Inc.? (Australian Ballot)
Doris Weeks stated that the Town's support of this article is appreciated.
- Article 9. Will the Town raise by taxation the sum of \$3,339.00 for the support of the Rutland Area Visiting Nurse Association? (Australian Ballot)
No discussion or questions.

Article 10. Will the Town raise by taxation the sum of \$1,200.00 for the support of the Clarendon Senior Meals Site? (Australian Ballot)
No discussion or questions.

Article 11. Will the Town raise by taxation the sum of \$2,200.00 for the support of the Rutland Mental Health Services (Rutland Mental Health)? (Australian Ballot)
No discussion or questions.

Article 12. Will the Town raise by taxation the sum of \$1,418.00 to support the Bennington-Rutland Opportunity Council, Inc.? (Australian Ballot)
No discussion or questions.

Article 13. Will the Town raise by taxation the sum of \$25,000.00 for road resurfacing and repair? (Australian Ballot)
Betty Wehse asked which roads would be done. Burton Austin, Road Commissioner said he wanted to do a section of East Road and a small section of Creek Road.

Article 14. Will the voters of the Town of Clarendon approve the amount \$5,000.00 to defray a portion of the salary of a librarian for the Bailey Memorial Library? (Australian Ballot)
Sylvia Venne explained the current salary is being paid through a program which is only meant to assist the library for two years and we are beyond that time frame.

Article 15. Will the Town of Clarendon appropriate the sum of \$1,400 to Rutland County Adult Basic Education for providing direct educational services to adults to include teaching materials? (Australian Ballot)
Kate Taylor asked that the Town support this program since it does assist residents of the Town.

Article 16. Will the voters of the Town of Clarendon vote to contribute the sum of \$200.00 to Prevention "Works" for the purpose of substance abuse prevention? (Australian Ballot)
It was stated that this money goes towards local drug prevention.

Article 17. To conduct any other lawful business.
Len Cousineau asked about a difference in the stated cost of bridge repair. Frank Cecot, Selectman, said the difference is due to an incorrect estimate from the previous. He also asked why the Town couldn't do something less expensive and gave a private bridge construction cost as an example. It was stated that since the bridge is public, it is regulated by state requirements.
Linda Trombley thanked Ann St. Peter (resigned as Treasurer after 16 years) and Robert Bixby (not running for another term as Selectman) for their service to the Town over the past year.

Motion to recess until Tuesday, March 7, 1995 at 10:00 a.m. was made by Alphonse Bourassa at 8:32 p.m., seconded by Sylvia Venne and carried.

Attest: Joyce A. Pedone Date: June 14, 1995

ANNUAL CLARENDON SCHOOL DISTRICT MEETING

Mon., March 6, 1995
Clarendon Elementary School
7:30 p.m.

The meeting was called to order at 7:30 p.m. by Moderator, R. Brownson Spencer. The Pledge of Allegiance was recited.

The moderator stated that all questions should be directed through him and that questions regarding the Mill River Union School District would not be allowed at this meeting.

- Article 1. To elect a moderator for a term of one year. (By Australian Ballot)
No discussion or questions.
- Article 2. To elect one school director for term of three years. (By Australian Ballot)
No discussion or questions.
- Article 3. To elect one director to the Mill River Union District 40 Board for a term of three years. (By Australian Ballot)
No discussion or questions.
- Article 4. To vote to authorize the School Directors to borrow money temporarily as may be required to pay orders. (By Australian Ballot)
No discussion or questions
- Article 5. To vote to approve a total budget of \$1,848,053.00 for the operation of the elementary school, with \$629,399.00 to be raised by taxation. (By Australian Ballot)
No discussion or questions.
- Article 6. Shall the voters of the Clarendon Town School District appropriate \$20,000.00 for the purchase of instructional computers, with said funds to be raised by taxation. (By Australian Ballot)
Diane Chartrand spoke on behalf of the computer purchase, explaining the need to network the various computers already in use.
- Article 7. Shall the voters of the Clarendon School District support the reallocation of existing budget funds for the purchase of instructional computers. (By Australian Ballot)
Gail Gillam asked how much money and from what budget fund. The school board members stated the funds would come from whichever portion of the budget that might have excess funds at the end of the year. They are only asking permission to use excess funds, if there are any, for computer equipment.
- Article 8. Shall the voters of the Clarendon Town School District authorize the Board of School Directors to borrow \$154,000.00 for renovations and alterations to facilities for the conversion of electric heat to an oil fired hot water system, at a total estimated cost of \$220,000.00, (including state aid), subject to approval of said project for State Aid pursuant to 16 V.S.A., Chapter 123. (By Australian Ballot)
Len Cousineau asked what the payback time would be. The school board and the superintendent stated that all data is not in yet but preliminary reports indicate the time period would be five to seven years.

Article 9. To transact any other business proper to be done at said meeting.

Attest: Joyce A. Pedone Date: June 14, 1995

The polls will be open on Tuesday, March 5, 1996 at the Clarendon Elementary School, from ten (10) o'clock in the morning until seven (7) o'clock in the evening for the purpose of voting by Australian Ballot. The business to be transacted will include:

ARTICLE 1. To elect a moderator for a term of one year.
(By Australian Ballot)

ARTICLE 2. To elect one school director for a term of three years.
(By Australian Ballot)

ARTICLE 3. To elect one director to the Mill River Union District #40 Board for a term of three years. (By Australian Ballot)

ARTICLE 4. To vote to authorize the school Directors to borrow money temporarily as may be required to pay orders. (By Australian Ballot)

ARTICLE 5. To vote to approve a total budget of \$1,914,478.00 for the operation of the elementary school, with \$691,107.00 to be raised by taxation.
(By Australian Ballot)

ARTICLE 6. To transact any other business proper to be done at said meeting.

SCHOOL DIRECTORS:

Leland Congdon

Carol Lyle

James Doherty

Dated at Clarendon, Vermont this 27th day of January 1996.

**Vermont's First Binding Presidential Primary
March 5, 1996**

Vermonters have had the opportunity to vote for Presidential Primary candidates in the past, but 1996 marks the first primary in which those votes will translate into delegates. Under the non-binding primary system of past years, a party's nominating caucuses could apportion delegates to the national nominating convention without regard to the primary vote.

This year, winning a portion of the vote will mean winning the same proportion of delegates.

On March 5, Vermont will join voters in Maine, Connecticut, Rhode Island and Massachusetts in the New England Regional Primary. New Hampshire continues its first-in -the-nation position by voting on Feb. 20, but the New England Regional Primary will be the first numerically significant vote in the primary season.

Three factors will give Vermont voters a powerful voice in this nominating process:

1) Vermonters will be voting in a large and significant regional primary.

2) The vote carries particular weight because it comes early in the political season.

3) Each vote counts because the results are binding.

Vermont currently has three major parties -- Democratic, Liberty Union, and Republican. Since the major national parties require that participants in the nominating process be identified, VERMONT VOTERS WILL HAVE TO DECLARE WHICH PARTY'S BALLOT THEY WISH TO VOTE, AND THEIR CHOICE WILL BE RECORDED ON THE CHECKLIST, WHICH IS A PUBLIC RECORD.

No such party preference will be required at the polling place in the November General Election, when voters choose among the presidential nominees.

More information is available from the Elections Division of the Secretary of State's Office at 800-439-8683.

\$190,000.00

PROMISSORY NOTE

Burlington, Vermont
May 28, 1992

FOR VALUE RECEIVED, the undersigned MAKER promises to pay to the TOWN OF CLARENDON, or order, the principal sum of One Hundred and Ninety Thousand Dollars (\$190,000.00) as follows:

\$190,000.00 at Zero Percent (0%) per annum interest, all payments deferred until September 1, 2002 at which time payments of principal shall be payable in equal yearly installments of Fifteen Thousand Dollars (\$15,000.00), unless otherwise agreed by both parties, and continuing thereafter on the same day of each subsequent year until the entire principal is repaid.

The MAKER reserves for itself and for any person liable herefor the right to prepay at any time the entire unpaid principal balance hereof without premium or penalty.

If default be made in the payment of any amount due under this note or in the due observance or performance of any covenant, condition, or agreement contained in the mortgage securing this note, or the loan agreement, and if such default is not remedied within twenty (20) days of the mailing of notice thereof by the holder of this note to Borrower and addressed to Housing Foundation, Inc., PO Box 397, Montpelier, Vermont 05601-0397, then this note shall at once become due and payable without further notice and the holder of this note may immediately start proceedings to collect this note. The MAKER agrees to pay all costs of foreclosure or otherwise acquiring title and possession of the property which is security for this Note and all reasonable attorney's fees and reasonable costs and expenses of such attorney if this note is placed in the hands of an attorney for collection. Failure to exercise the rights or options contained in this paragraph shall not constitute a waiver of the right to exercise the same in the event of any subsequent default.

All parties to this note, whether principal, surety, guarantor, or endorser, hereby waive presentment for payment, demand, protest, notice of protest, notice of dishonor, and all defenses on the grounds of extension of time for the payment hereof which may be given by the holder of this note to them or any of them or to anyone who has assumed the payment of this Note.

This Note is secured by a fourth lien interest in real estate in Clarendon, Vermont, owned by MAKER.
